

# HOME

**Home is where Redemption is found.**

Redemption Church has a proven track record of stepping up when God leads the way. Your continued faithfulness has enabled us to hire staff, move into a larger space, and grow our ministry to students and children. And now it's time for our next big step: moving into a permanent home in Edmond.

**Please bring this completed HOME Campaign commitment card with you to our worship service on Commitment Sunday, November 1, 2020.**
