Move In, Upward, and Outward

Redemption Church is moving in, and we want to celebrate with you! Use this card to view milestones we want to achieve along the way, as we strive to build effective and long-term ministry impact. In the “move in” section, we detail what happens as we move into our building. The “move upward” section details what we want to see happen to enhance our primary spaces for guests and attenders of Redemption. You will also see the “move outward” section, where we detail what we want to see happen as we focus on serving and reaching our community for generations to come.

Help Us Move In

\$149,000 BY JULY 15, 2023

Moving into our first home will help Redemption Church advance our mission in a significant way. As we raise the necessary funds, we will be able to complete the construction on our building and ministry spaces with the basic necessities needed to open our doors well for the first time.

Here is where your \$149,000 is being invested:

- \$131,000 Remaining Construction Costs (based on current projections)
- \$13,000 Signage for Building and Ministry Spaces
- \$5,000 Kids Ministry Space

Help Us Move Upward

\$95,000 BY JANUARY 1, 2024

We want to cultivate and create a culture that cares for people by focusing on spaces that need it the most. Upgrades to the worship center, student and kids ministries, and specific indoor and outdoor spaces will help make our house a home. We want to create a space where people can experience deep, meaningful life in Christ.

Here is where your \$95,000 is being invested:

- \$65,000 Upgrades for Worship Center (Stage and Chairs)
- \$10,000 Students and Kids Ministries
- \$20,000 Indoor and Outdoor Spaces

Help Us Move Outward

\$290,000 BY JANUARY 1, 2025

As we enter a new year, we want to improve our ministry to our church family and, especially, to expand our ministry to focus on our church’s surrounding community. Moving out will help Redemption Church create spaces that matter for your friends, family, guests, and neighbors that see Redemption as a place that genuinely cares for our community.

Here is where your \$290,000 is being invested:

- \$160,000 Site Development (Pergolas, Awnings, Courtyard Design, Planters, Furniture, Fencing, etc...)
- \$35,000 Kids Playground and Ministries
- \$35,000 Improvements and Upgrades (Kids, Students, Furniture, Decor, etc.)
- \$60,000 Audio, Visual, Lighting Upgrades

The above dollar amounts include our best estimates and intentions based on current information.
